

BRAZILIAN EQUITIES OPTIONS TRADER

Full-time role based in London

Remuneration: Annual base salary plus discretionary bonus

We are looking for a highly skilled Equity Options trader with relevant product experience to setup up and operate a Brazilian Options market making desk in our London office.

ROLE SPECIFICATION:

- Setting up a trading desk to trade Brazilian Options competitively
- Day to day trading and position management
- Managing relationship with relevant third parties
- Working closely with technology professionals to achieve an optimal trading setup

CANDIDATE SPECIFICATION:

- Relevant product experience
- Successful track record
- Good understanding of trading systems
- Outstanding numerical and analytical skills
- Proactive interest in improving existing trading strategies and identifying new opportunities
